Other members of the family and their ages:

OUR PRIVACY STATEMENT

Any information of a personal and/or sensitive nature (within the meaning of the Privacy Act 1988) is collected by the church for the particular purposes stated on the information forms only. While the information collected is relevant, it is stored securely and not forwarded to any other party. When the information collected is no longer relevant it is destroyed.

In this particular case, this information is being collected for the purposes of entering in the Registers of the Parish. The information is not passed on to any other party.
