BROAD AIM

To glorify God through our support of the life, worship and ministry of the Cathedral and to preserve it as both a living sacred space and as a dynamic community centre

Open Monthly Meetings are held at the Cathedral,
- minimum of six meetings per year.)

We will provide a welcome to tourists, city workers and casual visitors who may be seeking reflection within a sacred space

Vision

A large, diverse, interactive, open-membership community supporting the life, worship and ministry of Saint James' Cathedral in the Diocese of North Queensland and beyond."

We aim to promote an interest in, and a sense of ownership of the Cathedral within the Townsville and wider community.

A shared sense of commitment to the Cathedral would unite current and past worshippers, parishioners from other Anglican parishes and occasional visitors

You may like to participate in fund raising that will help to maintain the Cathedral into the future

The major fund-raising event has been the annual Art and Craft Exhibition

We aim to encourage greater use of the Cathedral for community events – art, music, forums so that it continues to be a focus for community life
